G. Sibling Pathway

Clarifications:

- Kindergarten students are eligible to apply.
- Kindergarten attendance satisfies the two semesters in public school requirement.
- The A through F grades issued in the fall of 2014 for school performance in the 2013-2014 school year will be used to determine the F schools for eligibility purposes for the 2015-2016 Choice Scholarship Program.
- For purposes of the Choice Scholarship Program, the term “sibling” shall mean one of two or more individuals having one or both parents, guardians or custodians in common. The term does not require a consanguineous (blood) relationship between the individuals.
- To be eligible under the sibling pathway, the student’s sibling had to receive a Choice Scholarship or SGO award in a previous year.
